## Peace of mind while you are away

Have you ever wondered:

*Are the people I am paying to watch my place actually showing up?*

We promise to email the details of what we did and when we did it.

We will include pictures of any concerns plus a picture of your electric meter. You will know we were there!

### WHAT WE DO FOR YOU

- Inspect around your unit
- Inspect for pests
- Inspect for physical defects
- Verify water is off when we get there
- 1<sup>st</sup> visit – prep refrigerator with desiccant
- Turn on the water
- Run all faucets, showers, toilets and tubs
- Inspect for indoor signs of leaks
- Verify electricity status meets your choice
- Verify the AC is working
- Turn off the electricity (if you have chosen)
- Turn off the water
- Send you a detailed email of our visit

### *Cost per visit*

*Standard Size (less than 2000 ft<sup>2</sup>)*

**\$30**

*Large Home (greater than 2000 ft<sup>2</sup>)*

**\$45**

You tell us how often we should visit. Minimum visit once per month.
